JC Yeah very much for the summer months.

SH Probably for what would take a few months?

JC Yeah

SH Maybe four months or five months maybe or would you say longer?

JC Well it was off and on at first. Well at first she was at home with us and we left she was raising her we were there supervising.

SH Hm, hm

JC That way you know what I mean?

SH Yeah

JC And then she went off for a while with Kassidy and then she brought her back and we took care of her.

SH Yep

JC Full-time.

SH Now was that because she just probably couldn't handle it?

JC I think she was to young she didn't know how to handle it.

SH Did she have some complaints? Yeah for instance that it was too much work or the baby cries too much?

JC It was the work and she was tired and ah she didn't know she wanted to do things and she couldn't handle it.

SH Okay

JC She needed time to think about it but she knew she brought her right to us.

JS Right

JC You know so there's no

SH She was lucky to have someone to be able to do that with?

JC I'm her mother you know I love the kids you know. We do for all of them. You know take care of all of them. You do your best to teach them right. You never think that this is going to happen.

SH So at this point here you have Kassidy for a little while?

JC Hm, hm

SH A few months anyway and what is it that prompts Amanda to feel like she's ready now? That is there any like a like a she gets a job or gets a nice place to live or?

JC Well

SH What was your feeling on that?

JC My feeling was she left to, to go down to (inaudible) then she went to get a better job number one.

SH Hm, hm

SH Because up that way there was not too many good jobs up there to be honest with you.

JS Right

JC So (inaudible) down to Kittery so she came down this way and she just got a job at Old Navy.

JS Yep

JC And ah I'm all upset I'll tell you.

JC Well she's been doing it for the past couple months.

SH Okay

JC At home even. You know she would be helpful, she'd be doing it.

SH Okay

JC And she was doing a good job that I noticed.

SH Now what would you say when, when Kassidy and Amanda have now basically made their residence down south here we'll say Sanford or Kittery or where ever. What was your visitation like, like how often did you see Kassidy?

JC I didn't get to see her well the last time I seen her was she I had a hysterectomy.

SH Okay

JC And that was August 27th now I've seen her during September and part of Oct well early part of October. She come up to get

SH Now when you say that do you mean three or four times a month or do you mean once?

JC Ah she was up a couple times a month.

SH In September?

SH Chad has **already** come into the picture then?

JC Oh he's **been** in the picture.

SH Yep for **about** how long?

JC Oh (inaudible) I can't remember when she started dating him. I'm thinking really thinking. July I think I don't really I'm going to be honest with you I don't remember.

SH Okay well Chad what I

JC Cause I really didn't get to meet him until he came a couple times in August to visit us you know.

SH And I understand and back then you weren't thinking that you'd need to remember you know this date and everything so I understand. What I'm trying, what I'm trying to understand is when she gets with

JC And when I asked Jeff and Jen is he a nice guy you know and they said oh yeah he's, he's a nice guy he's you know he has all these MacDonalds Stores and he's making good money and he has a family which he separated and they were getting a divorce.

SH Hm, hm

JC Him and his wife at the time I thought was a big age difference well I was concerned about that.

SH Hm, hm

JC But

SH Any other concerns other than just what a mother would have about the age difference?

JC Only one thing one time and it was a couple of weeks ago. I'll be honest with you here. I was on a trip with my husband he's a truck driver. So every once in a while I would go to ride to Pennsylvania and back cause my parents lived down there.

SH Hm, hm

JC And I'd get to see them. And I got back my sixteen year old son said he saw some bruises on Kassidy's face. Now I called them I said what's going on why is she hurt? Why is there bruises on her face you know I didn't get to see her.

SH Hm, hm

JC And I had no way I don't drive. I had no way down there.

SH Hm, hm

JC And it when most people never learned how to drive. I'm (inaudible) about it.

SH My fathers the same way.

JC So Chad told me okay I talked to him.

SH Hm, hm

JC And Amanda confirmed the same thing. That they have this big trampoline okay and they were jumping around clowning around on it and she almost fell off of it and he grabbed a hold of her and it just happened to be her face. So that's all I've ever heard or you know

SH That was the one inkling that you ever got.

JC That's the only inkling incident that I've ever heard of anything. Anything.

JS Did Jennifer ever tell you anything else?

JC Not really. Oh I can't imagine anything there.

SH But did she

JC Cause she just started baby-sitting they did Jeff and our Jen.

SH Hm, hm did Jennifer have any hint?

JC No

SH No Jennifer never conveyed any concerns to you at all?

JC She'd call me everyday. She calls me all the time.

? Hm, hm

JC For me it's fun and I get out of the house I'm always at home. So um Joshua told me when I got home that Mandy stopped by to pick up some papers and things like that that she needed and some more clothes. Cause she has a lot of clothes at the house still.

SH Hm, hm

JC Everything's still there the crib's still there. And ah he said there were bruises on her face. And so I immediately I got very concerned so I called up and I asked Chad you know why is she bruised and he told me about the trampoline and he tried to catch her. And then I called Mandy the next day to see to you know.

SH Hm

JC Because she wasn't that at the time. And ah she said she told me the same thing.

SH And were there any other adults home with your son who's 16?

JC No he wasn't home then he was working. Just my son Scott.

SH Yeah

JC So oh God if I would have know.

JS Did Amanda ever talk about um Chad being abusive to her?

JC I heard Amanda told me this that he had a restraining order for his wife and him split up or something. He must have hit his wife.

SH Must of or did she say he did?

JC He did

JS His ex-wife?

JC Yes, his ex-wife.

SH Okay

JC That's, that's true. Um you know she said one time he grabbed her throat and I said you shouldn't if he's going to be that way don't let him treat you like that.
