Since 8/2000, she has been a day care provider at:

We met with **Erin** in the Director's office at Cross Road Kindergarten Center. **Erin** advised that last Wednesday, November 8, 2000, between 1230 - 1245 she was standing in her classroom. **Erin** observed a white or light colored vehicle pull into the Kindergarten's parkinglot. She observed a female operator and a small female child sitting in the driver side rear seat. The child was wearing a pink coat and possibly a white hat or a hat with a white trim. She observed the female operator get out of the vehicle and remove a male child. **Erin** was able to identify the male child as **Kyle Evans**. The female carried **Kyle** into the Kindergarten and stated to **Erin** that **Kyle** had just come from a Doctor's appointment and that he had eaten something already. The female then left the building, returned to the vehicle and left the area.

Erin asked **Kyle** who the woman was that had just dropped him off. **Kyle** advised her that her name was **Amanda**.

Erin describes the female, **Amanda**, as having long, wavy, blond hair, small face, 5'6", average weight, glasses and wearing a coat. **Erin** remembers her appearing to be young.

Later that same evening at approximately 5:20 pm, **Chad Evans** came to the Kindergarten to pick up **Kyle**. **Erin** did not observe him drive into the parking lot. **Chad** walked into the K3 room where the children were watching a movie, VEGGIE TALES. They always watch a movie from 5 - 5:30 pm and **Erin** remembered **Chad** showing up near the end of the movie. He questioned **Erin** as to where he could get the movie for **Kyle**. **Chad** then got **Kyle's** lunch box from his cubby and left. **Erin** estimated that he was present for approximately 2-3 minuets. **Erin** did not observe any unusual behavior. She stated that **Chad** was wearing a suit and tie.

Erin also advised that Monday evening, November 13, 2000, **Tristin** came to pick up **Kyle**. **Tristin** stated to her that she did not think that **Chad** "did it" and does not think that **Chad** would do anything like that because **Kyle** is ok. **Tristin** went on to say that **Chad** told her that on Wednesday evening, November 8, 2000 he gave **Kassidy** a bath. **Chad's** room mate commented on how **Kassidy** did not have any bruises that day but Thursday she did.
