These are some flash backs that are coming into mind. Right now I can't even think straight. But I

do remember this. I was going to a money management class, and I asked Jeff to watch her. He picked her up at

my house in Rochester (my car was in <sup>VIP</sup> <sup>Chad was gonna picnic with her</sup> <sup>meet her</sup> <sup>school</sup> <sup>has money</sup>)  
at the time. So he took her. Said well <sup>meet her</sup> <sup>school</sup> <sup>has money</sup>  
night as well take her over night <sup>even</sup>

~~the~~ It's late. I didn't have my car

So the next day I call he says I'll drop her off soon. Never did. He said he had a lot to do. (And, I thought he was just being lazy.) and didn't feel

like driving. (He's very lazy) So I waited + he still didn't show. He kept calling a couple times + said he'd be there soon

Then I call and said where is she. He's like well it's getting late, might as well take her. So I said okay ~~the~~

~~the~~ I don't know (Amos) I call early morning I remember and he said he was

ster in a couple of hours. He never showed. finally around 1728

I got my car in morning but since he said he was gonna drop her off I didn't drive to Betty's together. (I also ~~was~~ on the

computer a lot (I was typing in surveys) - or money I did almost 9,000 of them. But I had a deadline so I had to get them done asap. So ~~readily~~ some at the time it was more of a "Eve" But I never used him for

Finally he drops her off around 4 or 5:00. She was ~~seesick~~ + hungry. I sat her down on her chair + gave her a bowl of cereal (she usually eats graham with a spoon)

but she ~~put~~ put her mouth in the bowl and tried to suck the milk out of the bowl. Then she pulled it up cause I kept giving water. But she was ~~dominatingly~~ dominatingly fast then

I gave her tylenol and pedialyte. ~~then~~ Finally she was done drinking. And I held her + cooed with her. ~~she~~ (suspiciously stayed there for awhile watching me care for her) He just said she cooed sick + acting weird. And ~~the~~ the survey's going around first night - than her

~~As of the truck on to the ground~~  
 but I started getting mad. (But I never stray  
 we would do anything intentionally. ~~anything~~  
 he also forgot her bag + diapers. So I asked  
 him to watch the kids while I went to  
 Market Basket to get diapers. I came back  
 right away; he said he had a play  
 place to clean. So I got back + held her  
 all night. And watched + with her. ~~kept~~  
 giving her fluids. Then she was sitting  
 on my lap and she ~~was~~ ~~falling~~ ~~asleep~~  
 Then she rolled her eyes back BUT I  
 thought she was sleeping + just kissed  
 + then she fell asleep. I laid with  
 her + then put her to bed. Chad  
 + I slept beside her that night. He was  
 really concerned + wanted to help. The  
 next day she seemed fine. She was even  
 happy. Chad did  
 lose his temper with her. But would never  
~~intentionally~~ abuse her. To me he  
 And wanted the best for her. But  
 and when made a bad grab her face. But  
 I can't think he could or would  
 make of worst happen.
