On Tuesday, November 13, 2001, at about 1210 hours, I spoke by telephone with,

THOMAS MCNEIL [REDACTED]
109 Woodbridge Road
York, ME
[REDACTED]

MCNEIL was alleged to have witnessed KASSIDY fall from JEFF MARSHALL'S truck.

MCNEIL told me he had seen KASSIDY a total of four to five times. About four to six weeks before her death, MCNEIL held KASSIDY. He said she seemed to be tentative and slow, and he thought maybe she was slightly retarded. I asked MCNEIL to explain what he meant. He said it was difficult to describe but said she was slow to react with a smile when one talked to her and when one talked to her, she seemed slow to react in general. MCNEIL said he did not see any bruises on her at that time.

MCNEIL said he had never seen KASSIDY walk, explaining that the times he saw her, she was either being carried by her mother, or MARSHALL. MCNEIL said he had never heard KASSIDY talk either.

MCNEIL said he was present on the day KASSIDY died, when the ambulance came to the house and the medics were working on KASSIDY.

Regarding the fall from MARSHALL'S truck, MCNEIL said he doesn't recall that at all. The only other thing MCNEIL recalled, was that MARSHALL said that KASSIDY would get up in the night and sleepwalk.
