

Hi,

My name is Braden Reed, and I am going into the Sixth grade. Now I'm not here to talk about me. I am here to talk about a case that needs to be re-investigated. That case is the Chad Evans case. Chad Evans was convicted of the death of Cassidy Bortner. But there are many facts to prove Chad Evans didn't kill anyone. I found these facts on [Chadevanswronglyconvicted.org](http://Chadevanswronglyconvicted.org). Now I'm not going to list all of those facts because that would be thousands of pages. But I am asking please please please re-investigate this case New Hampshire, and Maine.
