Re: New England Innocence Project

Dear Mr. Evans,

Thank you for contacting the New England Innocence Project. We received your screening questionnaire dated August 1, 2011, and it is in the initial stages of the review process. We have also enclosed the original documents you sent us, we have made a copy and they will be used in the review process. While the review can be lengthy, we will do our best to determine as soon as possible whether we can provide assistance to you.

We are not agreeing to represent you at this time. Opportunities for post-conviction relief in both state and federal courts may be subject to strict time limitations. Therefore, if you need legal or procedural advice, including questions about rights that may be subject to statutes of limitation, you should contact your lawyer or other available legal services provider immediately.

As soon as we complete our review we will contact you regarding the results. We also may contact you to request further documents concerning your case. We appreciate your patience.

Sincerely,

NEIP Intake Team
