Dear Judge Nadeau,

I have known Chad Evans since 1975. Chad and his family and my family have spent a lot of time together over the past 26 years. Chad was raised in a good family. Chad has always been a hard worker and will do anything he can to help others. I know Chad to be a kind person that you want to call your friend.

Sincerely,

A handwritten signature in cursive script that reads "Roy I Soskin".
