Dear Judge Nadeau,

I have been friends with Chad Evans since Kindergarten. During this time, he has been a loyal friend, who I could always count on.

Chad has helped me through rough times, and been there for the good times as well. Because of this, Chad stood by my side on my wedding day, as one of my groomsmen.

The Chad I know could never have committed the horrible acts he has been convicted of. He is a decent, hard-working person, dedicated to his friends and family.

Thank you for your time.
