KE Yeah, it does. It works.

NH Are there any grownups who've pushed you?

KE No.

KE I think, when she went up to the green one she said Amanda, daddy don't say that word. And when she went up to yellow one she said why you doing dad? And then she went up to this um, bad one and she went up to what are you doing, dude? And then she went up to this yellow one after that this one.
