

Kristine Keeler

Rochester D.O. 17

Evans.

11/9/00 Rev file with Bob Doty, Pam Shaw, Francine Carter and Patricia Hctor. I was asked to assist Patricia Hctor in an investigation.

11/9/00 Tele Rochester Police Department, Detective Paul Callahan to assist DCYF to go to the property where two children, Brent and Kayle live. Spk with Det. Callahan and he stated he knew the family from a prior Domestic Violence issue from last year. Chad had a "bunch" of guns but they were taken. Chad is a "big wig" at McDonalds. Told me to meet him at the Police Station.

11/9/00 FF with Det. Callahan and two other Detectives from Rochester Police Dept. He stated that Chad Evens was a suspect in death of Cassidy. He said that the Maine State Police and NH State Police were involved. I explained that we needed to check out the other children at the residence and needed assistance. He was resistant that if the children were not injured he could do nothing. I mentioned even if Chad Evens is a suspect in the investigation of the death of Cassidy. He replied suspect is a broad term. He said he would assist in having the mother voluntarily take them.

11/9/00 FF at Chad Evens residence on Milton Rd. Rochester, NH. No one home at the residence. When speaking with Paul Callahan he mentioned Kittery Police Department and I asked him to call and see if Chad was there and he sd he knew he was there. I asked him to call and there was no response. He also stated that Brent was with his grandmother and Kayle was at Crossroads Daycare in Dover last he knew.

11/9/00 Tele Kittery Police Department and spoke with Detective Ron Avery. I introduced myself and he told me that Chad Evens just arrived. The time was approximately 4:30pm. I asked for his assistance in asking Mr. Evans where his two children, Brent and Kayle where. He again put me on hold. I than requested to speak with Mr. Evans and Mr. Evans told me that Brent was with his grandmother in Dover and Kayle was with his mother, Tristen. He gave me the addresses and sd that Brent lives with his mother, Tristen and he hardly sees him. When I asked him if Amanda lived at his residence he sd yes with her daughter, Cassidy but he was not the father and she is involved in a work program in Kittery making it sound like she does not always reside there. He said he has Kayle from Tuesday through Thursday. Tristen was suppose to have Kayle for the night. He also said that he tried to make contact with the Division earlier that day and left a message. At that time I told him I would call him back.

11/9/00 Tele grandmother, Sharon and asked for Tristen, she replied that she was not there yet. I asked if the Brent and Kayle were with her and she said that her other daughter was picking them up and bringing them to her house. I left a message for her to have Tristen call me when she got there and and to give her the message that if the children could be with her the entire weekend.

11/9/00 Tele Kittery Police Department and spoke with Chad Evans. At this point Chad Evans was very emotional and stated he just got off the phone with Tristen and that I could reach her on her cellular phone. I asked if we could request that Brent and Kayle stay with their mother until Monday. Until Patricia Hctor had an opportunity to speak with him. I mentioned it should not be an inconvenience because he only had Kayle Tuesday through Thursday. Mr. Evans stated that he was supposed to have Kayle this weekend and that he has him every other weekend but he still agreed for the children to stay with Tristen for the weekend. I asked him he was going to be ok and at this time it was evident that he was upset about the death of Cassidy. He said this is all very hard. I asked him again if he was going to be ok and if he had someone that was going to be with him and he said he was going to be with his best friend, he was supposed to meet him to go bowling. I told him that Patricia Hctor would be in touch with him first thing Monday and he gave me his pager because he works on the road.

11/9/00 Tele Tristen on cellular phone to confirm that it would be ok for the children to stay with her for the weekend, she said it would. She was very upset and said she just spoke with Chad. I inquired about Brent and Kayle getting physicals and she said Chad would never hurt them and he wouldn't have done anything to Cassidy. She stated that she never had concerns that he was hurting Cassidy that someone else may have. When I asked if she was the reporter to DCYF assessment received this month she said yes but it was not that she thought Chad was doing anything to Cassidy. I told her that Patricia Hctor would be in touch with her on Monday.
