JH Um hmm.

JR And not, you know, they're doing it out of friendship because they don't think Chad did anything or anybody else did anything. Ah they're, they think they're protecting him, um when in fact the person that we need to be thinking about protecting is Cassidy. Even though she's dead you know somebody should be standing up for her.

EB And we, you talked earlier how you are very upset about not stepping in at an earlier time before Cassidy's death. And taking some sort of control yourself. You do have an opportunity if things are said to you, to take control and, and help us out, resolve this issue and this situation.

JH I, I...

EB And you may, and you may be able to help Cassidy even, you know. I believe in God and I'm a Catholic like yourself okay? She's going to be looking down on us because she is definitely an angle. Um, we were there at the hospital and, and ah, they...

JR They had her baptized.

EB ...they baptized her at the hospital. And so I know that, I know she's an angel looking down upon us, okay. But you can help that and help her by making sure that you keep your eyes open. Don't make excuses, you know if someone has excuses, let them make them but think about it logically some of these excuses that are being made and so forth. And think about things. Okay? I mean you're a very smart man for being the manager at 25 years old, you're doing very well. Okay? So think about it and I know I was harsh on you.

JH Yep.

EB Okay? Believe me but we talked about who was gonna be harsh and I was gonna be harsh to you.

JH Yeah.

EB Cause I wanted to see your reaction.

JR We had to know if you were being genuine with us.

JH No I...

EB Okay.

JH ...I have no hard feeling towards either one of you. I understand what you've got to do and it's, you know, it's a tough job. You know I don't, you know.

EB You are someone I think we can keep our faith in with you.

JH Um hmm.

EB And that's going to be honest with us that I, I think I really believe this deep down I really believe that you're gonna talk to me if you hear anything or you are going to talk to Trooper ah Rockey about the, everything.

JH I, I have no doubt about it, you know. And, and lets say's you guys scenario is right, you know. The thing that you probably don't have going for you is everyone knows that about me. I'm just....

EB I know you're honest .

JH ...I don't lie. I just don't.

EB And maybe that's why, maybe that's why with the situation such as Tristan, I mean just these things kinda come to my mind when you talk about this, is that you don't lie. And why he down played everything. He wouldn't talk to you till after it was already in the open.

JH Yep.

EB Think about that you know. You were saying...

JR And the thing that you might have to push him to get him to admit to things.

EB And that's and we're talking about an adult.

JH I didn't really push him. He was, I think he knew I was going to find out from Tristan, so he just told me.

JR So, he told you in a way that would be...

JH Beneficial for him.

JR ...the best for him.

EB Just think about those things.
