Kevin,

Sometime ago I received a telephone call from Jenna Sunderland (330-3460). Ms. Sunderland advised me of a set of circumstances regarding Chad Evans and possession of ammunition. I then requested and received reports from Det. Eric Savitts, Rochester PD.

I contacted AUSA Mark Howard (225-1552), U.S. Attorney's Office, Concord, NH. AUSA Howard researched this case and determined that it would be a Petit Policy Issue for the Department of Justice to pursue this matter. Not further action.
