On Tuesday, August 14, 2001, at about 1735 hours, Sgt. KELLY MCCLARE and I went to the Pizza Hut restaurant on Route 9 in Brattleboro, VT. The purpose was to determine if AMANDA BORTNER was employed there. We spoke with the manager, who told us that she did and that she was scheduled to work at 1800 hours. The manager showed us an employment application that reflected an address of,

AMANDA BORTNER
651 Park Avenue
Keene, NH

I recognized the address as an old address of VANESSA MANSSON.

At about 1805 hours, the manager indicated to me that BORTNER had arrived. I observed BORTNER at a computer terminal at the front of the restaurant. I approached BORTNER, said "Hi AMANDA, we haven't talked in awhile." BORTNER turned to face me and replied "CHAD didn't do it, you twisted around everything I said." I told her she knew that wasn't true. She then said, "Well the papers twisted it around, they said he threw her against the wall, he wouldn't do that." I told her I couldn't control that, but we only reported what she told us. She told me "I was confused because of everything going on, now I know JEFF did it. I dream about things. Chad wouldn't do it, it was JEFF, it was JEFF."

Sgt. MCCLARE asked BORTNER where she was living. She refused to tell us. I asked how to contact her and she refused to tell us. She said I'm supposed to get an attorney. I told her if she gave information about how to contact her, she would probably have an attorney by now. BORTNER was crying, she was visibly upset, in that her lip was quivering uncontrollably, her voice was very shaky, and she looked on the verge of breaking down. At about that time, due to the commotion BORTNER was causing, the manager asked if we'd like to use her office. We agreed and went to the back of the restaurant to the office. I told BORTNER that I knew she'd been seeing EVANS since KASSIDY'S death. She told me "I haven't, I haven't seen him or talked to him." I told her she wasn't being truthful with me and she knew it. She continued to insist that she hadn't seen him or talked to him. Sgt. MCCLARE asked BORTNER again where she was living. She refused to answer and said she didn't want to talk anymore. I told BORTNER that I didn't want to continue talking anyway, since she wasn't being truthful. I told her that once she spoke with an attorney if she wanted to sit down and talk, we would then.

BORTNER was served a subpoena to appear before the Strafford County Grand Jury at 0900 hours on Friday, August 17, 2001. She said she understood, folded up the subpoena and pocketed it.
