

STATE OF NEW HAMPSHIRE
OFFICE OF THE GOVERNOR

MARGARET WOOD HASSAN
Governor

August 14, 2013

Mr. Morrisson Bonpasse
71 Sullivan Street
Keene, NH 03431

Dear Mr. Bonpasse:

Thank you for contacting the Office of Governor Margaret Wood Hassan.

The Governor's Office has reviewed your documents and noted the responses from both the Department of Justice and Department of Corrections regarding your request for a second polygraph to be administered to Mr. Evans. The Governor stands by the decisions made by the Department of Corrections and by the Attorney General's Office.

The Governor's Office does not regularly interject itself into these matters as the Department of Corrections has established a process for review of such requests. Future requests should be submitted based on the process outlined by the Department of Corrections. With respect to the polygraph evidence in Mr. Evan's case, please refer to Senior Assistant Attorney General Strelzin's letter on this subject.

Sincerely,

A handwritten signature in black ink, appearing to read "Kyle Sutton".
