

Dear Judge Tina Nadeau,

I am writing to you on behalf of Chad Evans. I have known Chad for nearly five years. Chad is my daughter's uncle. I have spent several short periods of time with him. When he was down visiting his parents in Keene, he was usually outside playing with his son Kyle or helping his father with yard work. Chad would always make sure he came to say hello and see how I was doing. He was always very excited to see my daughter and so was his son Kyle. Those three have a special bond. My daughter thinks her uncle is the greatest. She keeps a picture of Chad on her desk and is very proud to say that he is her uncle. I have nothing negative to say about Chad. Every time I saw Chad he was in high spirits. Chad always has a smile on his face and he has given many people great joy with his presence. He is a hard worker and dedicated to both his job and his entire family. Thank you for your time.

Sincerely,

Michelle Denico
